Annual Review 2018

The American-Hellenic Chamber of Commerce is pleased to present its 2018 Annual Review. This document highlights the achievements of the past year and outlines the Chamber’s plans for the future.

The Chamber has continued to expand its membership and offer a wide range of services and events to its members. In addition to its regular programs, the Chamber has also hosted a number of special events, such as the American-Hellenic Business Forum and the Hellenic Business Festival.

The Chamber has also been active in promoting economic development in Greece and the broader region. This includes advocating for policies that promote trade and investment, as well as supporting initiatives that encourage innovation and entrepreneurship.

The Chamber has been particularly active in supporting the Hellenic government’s efforts to attract foreign investment and promote economic growth. In this regard, the Chamber has been a valuable partner in the government’s efforts to attract foreign direct investment, particularly in the areas of tourism and infrastructure.

The Chamber has also been active in promoting the interests of the Greek diaspora. This includes supporting the Greek government’s efforts to attract Greeks living abroad to return home and invest in Greece.

The Chamber is committed to continuing its efforts to promote economic growth and development in Greece and the broader region. The Chamber looks forward to working with its members and partners to achieve these goals in the years to come.

Thank you for your support and continued membership. We look forward to serving you in the years to come.

Sincerely,
