

## HEALTHWORLD CONFERENCE 2002 – 2020

**Healthworld** is American-Hellenic Chamber of Commerce's established Conference on major healthcare policy-related issues and it has been organized annually since 2002. Featuring prominent speakers, it is organized under the Auspices of the Ministry of Health, the Hellenic Association of Pharmaceutical Companies (SFEE), the Association of Health Research and Biotechnology Industry (SEIV), PhRMA Innovation Forum (PIF), the European Federation of Pharmaceutical Industries and Associations (EFPIA) and Medtech Europe. Each organization is marked by great success and participation by more than 400 delegates, including all stakeholders of Greece's health sector (Governmental Representatives, Health Agencies, Regional Health Administrations, Patient Associations, Hospital Governors, MPs, and business community representatives). Conference objective is to contribute to draft concrete proposals and form synergies that will lead to upgraded healthcare services in Greece.
