

About Stanton Chase

Stanton Chase is a specialized global Executive Search consultancy firm of first choice to multinational companies, offering **Executive Search** services, **Executive Assessment** and **Board Services** (Corporate Governance Evaluation & Compliance, Board Leadership Effectiveness, Chair/ BoD/ CEO/ Peer to Peer Evaluation) with **worldwide reach, regional knowledge and local insight**.

Formed in 1990, Stanton Chase operates with truly integrated resources of over 70 offices across the globe. In recent surveys, Stanton Chase is **ranked among the top 10 international Executive Search firms** by size, stature and reputation. Stanton Chase is a member of the International Association of Executive Search Consultants (AESC) and strictly adheres to its ethics and code of conduct.

Territorial Expansion

The extroversion which characterizes **Stanton Chase Athens** has led to the expansion into the emerging markets of the Balkans and Middle East, with the establishment of offices in **Romania, Serbia, Bulgaria** and in **U.A.E.**, where affiliated offices operate in order to cover the local and regional needs of clients for Executive Search services.

Our Unique Culture

Our greatest asset is our people

We believe that each of our consultants needs a sense of dignity, pride and satisfaction in what they do. Meeting client expectations depends on the united efforts of our expert consultants, treating candidates with professional respect and working in partnership with all stakeholders.

Action and reaction – the keys to our success

We strive to have the finest listening skills in the world of executive search. This is necessary in order to identify the true needs of each of our clients. We listen carefully, react quickly and offer solid advice. This is the key to our success and earns us partnership status in the eyes of our clients.

Our Team

Our team consists of **8 Industry specialized Consultants & Partners and a number of Researchers**, with remarkable functional expertise. It is important to state that all our Partners and Consultants bring solid Business Intelligence and Market knowledge of the industries they serve.

Our Athens office was formed in 2003 and today is the regional HQ for SE Europe & Middle East. No 1 Office in EMEA Region, No 5 Globally in revenues. It was elected as the Best Practice Office regionally in 2007, 2008, 2010, Best Office globally in 2009 and 2019, Best office in B Markets in 2014, Office of the Year 2016 & 2017 for C Markets.
