# About the Intergroup

M A N I F E S T O  
EUROPEAN ELECTIONS 2019

**European Parliament Intergroup**  
*Climate Change, Biodiversity and Sustainable Development*

[https://ebcd.onlinedemo.eu/wp-content/uploads/2019/04/Intergroup\\_Climate-Change-Biodiversity-and-Sustainable-Development\\_-\\_Manifesto-2019.pdf](https://ebcd.onlinedemo.eu/wp-content/uploads/2019/04/Intergroup_Climate-Change-Biodiversity-and-Sustainable-Development_-_Manifesto-2019.pdf)

# The Intergroup's objectives

- Provide a **cross-party** and **cross-committee** platform for MEPs to openly debate and exchange with **all stakeholders** in a balanced way
- Encourage strong involvement, **dialogue and close cooperation** among **all stakeholders**
- Effectively integrate **sustainable development** principles (social, economic and environmental pillars) into EU decision-making and policy
- Build on political, scientific and practical expertise to guide the development and implementation of **coherent sustainable policies based on scientific evidence**
- Support **well-informed science-based policymaking**
- Link the **innovation** agenda with the **sustainability** agenda
- Develop and demonstrate the value of innovative solutions for **smart, sustainable and inclusive growth in a competitive Europe**

# The Intergroup's priorities

# The Intergroup's structure
